ARTICLE III INSTITUTIONAL MEMBERS

Accreditation and candidacy shall be established according to the standards, policies, and processes of the MSCHE.

(b) The Commission shall establish and maintain all regulations and conditions governing institutional membership in MSCHE; however, in according membership therein, or the privileges thereof, the Commission shall not discriminate against an institution or organization on the basis of race, color, sexual orientation, marital status, religion, sex, national origin, age, or disability of any person associated with the institution or organization being considered for such membership.

(c) In no event shall institutional members be deemed to be members of the Corporation for any purpose under Chapter 57, Subchapter E of the Act or any other provision of the law. Institutional Members shall have the rights and privileges as described in Section 3.03 of these Bylaws.

Section 3.02. Termination of Membership.

Institutional membership shall automatically terminate whenever such institution withdraws voluntarily, is removed from the accredited list by the MSCHE in accordance with its standards and procedures (member status shall continue until the member's appeal, if any is filed, is exhausted), fails to pay the annual membership dues for two (2) successive years, or is no longer in good standing, unless waived by the MSCHE upon a showing of good cause.

Section 3.03. Institutional Members Powers.

(a) Institutional members are encouraged to submit nominations to the Committee on Membership for the positions of Commissioners, peer review evaluators and committee and task force members and shall elect the Commissioners. The nomination and election processes are set forth in Section 4.02(c) hereof.

(b) Institutional members are entitled to vote on all policies that affect the substance of MSCHE accreditation standards and requirements and major substantive policy statements (not including statements of good practices or principles), except those mandated under Federal law or regulation, the Commission or the Executive Committee acting on behalf of the Commission.

Section 3.04. Meetings; Quorum and Voting.

(a) The Corporation shall hold an annual conference for institutional members for educational and other accreditation-related activities. The Commission shall report annually at such conference on the state of the Corporation and the results of the Commissioners' election and shall conduct such other business as the Commission may decide is necessary and advisable.

(b) Any action required by institutional members may be taken by written ballot. Any action submitted to the institutional membership shall be approved if it receives an affirmative vote of a majority of the ballots returned within 21 days of mailing or transmittal, provided that at least 20% of the institutional members in good standing vote.

(c) Institutional members ordinarily vote by written ballot. Notwithstanding, the Commission or its Executive Committee, at their sole discretion, may submit an action for a vote at the annual conference or call a meeting of institutional members upon ten (10) days notice from the date of mailing or transmittal at such dates, times, and places as the Executive Committee shall determine. Notice shall include reference to matters to be considered at such meeting. Action may be taken by a majority of Institutional Members present, provided that at least 20% of the institutional members in good standing attend the meeting.

Section 3.05. Institutional Members' Dues, Fees and Charges.

Annual dues, fees for MSCHE services, and other charges shall be established by the Commission or its Executive Committee, or by delegation to MSCHE staff.

ARTICLE IV THE COMMISSION

Section 4.01. General Powers and Responsibilities of the Commission.

Except as provided otherwise in these Bylaws, the business and affairs of the Corporation shall be managed under the direction of the Commission, which shall establish policies for the fulfillment of the purposes of the Corporation stated in Article I.

Section 4.02. Number, Qualifications and Term of Office.

(a) The Commission shall consist of at least twenty-six (26) voting members, elected as set forth in Sections 3.03(a) and 4.02(c). Where required by applicable law or regulations, at least one-seventh of the members shall be elected who do not currently hold professional positions in education and who are broadly representative of the public interest (“Public Commissioners”). The remaining members shall be currently active professional and administrative staff of member institutions or be employed by a higher education organization that represents the interests of member institutions. Individuals shall be elected with consideration to geographical and institutional distribution reflective of the institutional members and other levels of educational institutions.

(b) In addition to the elected voting members, the President of the MSCHE shall be an *ex officio*, non-voting member of the Commission.

(c) The Commissioners shall be nominated and elected by the institutional members in accordance with the Commission policy on the Nomination and Election Process. Each voting member of the Commission shall be elected to serve a term of three (3) years, commencing on the January 1 immediately following such Commissioner’s election to the Commission, and may hold such office until the expiration of the term for which such Commissioner was elected or until such Commissioner’s earlier death, resignation or removal. The Commissioners shall be elected in classes so that the terms of approximately one-third of the Commissioners expire each year. The initial Commission of the Corporation shall be composed of the Commissioners then serving the MSCHE as Commissioners, who shall each continue to serve for the remaining years of his or her term as a Commissioner of the Corporation, and a newly elected class of Commissioners elected or re-elected to serve a full three year term. No Commissioner may serve the Corporation more than two consecutive elected terms.

(d) Each Commissioner, in accepting his or her appointment to the Commission, shall have the duty to perform such duties in the best interests of MSCHE rather than in the particular interests of such member’s institutional or regional interests.

Section 4.03. Resignations and Vacancies.

(a) Any Commissioner may resign at any time effective upon giving written notice to the Chair and Secretary, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, a successor may be designated before such time to take office when the resignation becomes effective. Resignation as a Commissioner shall also constitute resignation as a member of all committees of the

Commission, unless the Commission invites the Commissioner to continue service on an advisory committee, ad hoc committee or task force.

(b) All vacancies in the Commission, including those existing as the result of the removal of a Commissioner, shall be filled by the Executive Committee. A Commissioner appointed by the Executive Committee to fill a vacancy shall commence service immediately and shall serve the balance of the term of the Commissioner he or she has replaced.

(c) A vacancy or vacancies shall be deemed to exist in the case of the death or resignation of any Commissioner.

Section 4.04. Removal.

Any elected Commissioner may be removed from office by the voting members of the Commission or upon recommendation of the Executive Committee without assignment of cause except in the case of a Commissioner who also is an officer of MSCHE, who may be removed only in accordance with Section 6.08. A vote to remove a Commissioner from the Commission shall be by majority of the Commissioners present and eligible to vote. The Commissioner whose removal is being considered may not participate in the vote concerning his or her removal. In the event that any Commissioner shall be so removed, a new Commissioner shall be appointed by the Executive Committee to replace such Commissioner in accordance with the provisions of Section 4.03(b). Removal as a Commissioner shall also constitute removal as a member of all committees of the Commission.

The Executive Committee shall determine the dates, times and places of all regular and special meetings.

(b) Notice shall be sent by e-mail, first class mail, fax, telephone or by other reasonable means to each member of the Commission not less than forty-eight (48) hours before any regular or special meeting.

(c) Non-attendance at Commission and Committee meetings may seriously jeopardize the integrity of the MSCHE's work. Commissioners are expected to serve at least 12 days a year, including a minimum of three official meetings that includes the Commission and Committee meetings. A Commissioner is deemed to have resigned after missing three consecutive Commission meetings and is to resign if unable to serve as needed.

Section 4.06. Annual Meeting.

(a) The first regular meeting of the calendar year shall be the annual meeting of the Corporation.

(b) The President and Treasurer shall present the Commission at its annual meeting a report, verified by the President and Treasurer, showing in appropriate detail the following:

- (iv) The expenses or disbursements of the Corporation, for both general and restricted purposes, during the year immediately preceding the date of the report, including separate data with respect to each trust fund held by or for the Corporation.

(c) The annual report of the Commission shall be filed with the minutes of the annual meetings of the Commission.

Section 4.07. Quorum and Manner of Acting.

At all meetings of the Commission, the presence of a majority of the voting members of the Commission shall be necessary to constitute a quorum and to transact business. Any act of a majority present at a meeting at which there is a quorum shall be the act of the Commission, except as may be otherwise required by law, the Articles of Incorporation, or these Bylaws. If a quorum shall not be present at any meeting of the Commissioners, the Commissioners present may adjourn the meeting from time to time until a quorum is present. Voting by proxy shall not be permitted.

Section 4.08. Telephone Meetings Permitted.

Members of the Commission, or any Committee designated by the Commission, may participate in a meeting thereof by means of conference telephone call or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in the meeting pursuant to this Section 4.09 shall constitute the presence of a person at such meeting.

Section 4.09. Organization.

At every meeting of the Commission, the Chair or, in the case of the Chair's absence, the Vice Chair or, in the case of the Vice Chair's absence, a Commissioner designated by the Commissioners, shall preside as chairperson. The chairperson may appoint any person to act as secretary of the meeting.

Section 4.10. Action by Written Consent.

Any action required or permitted to be taken at any meeting of the Commission or of any Committee thereof may be taken without a meeting if all voting members of the Commission or Committee, as the case may be, consent thereto in writing and the written consents or writings are filed with the minutes of proceedings of the Commission or any Committee.

Section 4.11. Waiver of Notice.

Notice of a meeting need not be given to any Commissioner who signs a waiver of notice or a written consent to the holding of a meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such Commissioner. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 4.12. Standard of Care; Justifiable Reliance of Commissioners.

(a) A Commissioner shall stand in a fiduciary relation to the Corporation and shall perform his or her duties as a Commissioner, including duties as a member of any committee of the Commission upon which the Commissioner may serve, in good faith, in a manner the Commissioner reasonably believes to be in the best interests of the Corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his or her duties, a Commissioner shall be entitled to rely in good faith on information, opinions, reports or statements, including, without limitation, financial statements and other financial data, in each case prepared or presented by any of the following:

1. One or more officers, employees and consultants of the Corporation whom the Commissioner reasonably believes to be reliable and competent in the matters presented;

3. A committee of the Corporation upon which the Commissioner does not serve, duly designated in accordance with law, as to matters within its designated authority, which committee the Commissioner reasonably believes to merit confidence.

(b) A Commissioner shall not be considered to be acting in good faith if the Commissioner has knowledge concerning the matter in question that would cause his or her reliance to be unwarranted.

(c) Absent breach of fiduciary duty, lack of good faith, or self-dealing, actions taken by the Commission, committees of the Commission, or by individual Directors, or any failure to take any action, shall be presumed to be in the best interests of the Corporation.
